Dear Mrs. Whitmore,

I am writing to confirm that the Bermuda Government has agreed that you should be employed as a consultant for a two year period during which time you will take a two-year leave of absence from Hill & Knowlton.

It is agreed that your fee will be US\$60,000 per annum, paid on a monthly basis in arrears, plus expenses which will have to be approved before they are incurred.

You will commence your appointment on the 18th July and three months notice will be required by either party to terminate this agreement. You will be required to inform the Bermuda Government of any projects you are involved in for other clients or intend to be involved in during the period of this agreement so that the Bermuda Government can establish whether or not a conflict of interest may arise. If the Bermuda Government perceives that there is a conflict, you will be required to cease your involvement with said projects.

Your agreed terms of reference are attached. You will report directly to the Premier in the first instance, although when working with various Ministers and Government Ministries, you will be expected to liaise closely with Ministers and their senior administrative and technical officers, always ensuring that the Premier is properly briefed on all matters which affect the Bermuda Government.
